GOVERNMENT OF ANDHRA PRADESH
ABSTRACT

HM&FW Department – Jagananna Aarogya Suraksha Programme – Door to Door campaign and Health Camp at Village Health Clinics and Urban PHCs in the State - Certain Guidelines – Orders – Issued.

HEALTH, MEDICAL AND FAMILY WELFARE (E1) DEPARTMENT

G.O.Rt.No.688 **Dated:14.09.2023**

Read the following:

1. From the Director, Health & Family Welfare, Mangalagiri received through e-office bearing computer No.2200395
2. G.O.Rt.No.675, HM & FW (E.1) Dept., dated:10-09-2023.

<><><>

ORDER:

In supersession of the guidelines issued in G.O. 2nd read above, after careful examination Government hereby issue the following modified guidelines on Jagananna Aarogya Suraksha Programme

2. The Government is implementing numerous Health Schemes including new initiative of Family Doctor Programme with an intension to provide comprehensive Primary Health Care at Village Level. Further the Government objective is that, all the health initiatives shall reach everyone with the concept of 'leave no one behind' and 'leave no village behind'.

3. In order to achieve goal of "Aarogya Andhra Pradesh", it has been decided to conduct the Jagananna Aarogya Suraksha (JAS) program to create Health Awareness with focus on preventive health, life style management, awareness on Dr YSR Aarogyasri program and to identify and address their health needs.

4. The program aims to cover all households specifically targeting chronic patients, pregnant and lactating mothers, Neo-natal and infant care, adolescent health and persons with non-communicable diseases.

5. Through this program, the Government intends to ensure that the health issues are not only identified at the door step but also addressed through the right treatment upon proper consultation and referral to the Aarogyasri network hospitals. Responsibility is also taken by Family doctor and CHO/ANM for hand holding of patients subsequently to ensure follow up consultation and making drugs available as per need.

6. The program is planned in five phases.

Phase I:

The Volunteer along with service minded people and people's representatives will visit the door-to-door and will explain about Jagananna Aarogya Suraksha camp, date and venue. They will also inform the schedule of visit of CHO \ ANM such that the people can be available on that day. They will provide the Dr YSR Aarogyasri pamphlet and explain on how they can avail health services under Aarogyasri free of cost. They will explain on Dr YSR Aarogya Aasara and also explain the features of the Aarogyasri App and help the people in downloading the Aarogyasri App in their smart phones based on request. Number of downloads will be a parameter for assessing their performance of the Volunteer.

(P.T.O)

Phase II:

The CHO along with ASHA and Volunteer & ANM along with ASHA and Volunteer will start visit of each household roughly each team covering half of the households in the village 15 days prior to the date of the camp and enquire about their health issues and record their responses in the mobile app. They will conduct tests as per requirement out of 7 tests i.e. Blood Pressure, Blood sugar, Hemoglobin, urine test, sputum test, malaria and dengue in case of fever. Out of the above tests, three tests i.e. BP, blood sugar and hemoglobin may be conducted for all the people to understand the health profile and take up follow up treatment if required. They will also create awareness on Aarogyasri program.

Phase III:

The Volunteer along with service minded people and people's representatives will again visit each household 3 days prior to the health camp to remind the people about Jagananna Aarogya Suraksha camp date, venue.

Roles and Responsibilities of other village functionaries :

Panchayat Secretary	• Making arrangements for successful conduct of the health camp under the guidance of MPDO \ MRO along with all the staff of Village Secretariat.
Anganwadi Workers	• Shall identify SAM, MAM, SUW, Children, share the data to ANMs and mobilize the children to camp • Create awareness in pregnant women, lactating mothers to visit the health camp for checkups.
Head Master of School	• Screening of the children from head to toe with the help of CHO/ ANM to identify cases of disease, birth defect, disability and development disorders and shall take the children to the JAS camp on the scheduled date.

Phase IV – Jagananna Arogya Suraksha Health Camp (D Day).

Health camps shall be organized in the VHC and UPHC limits. One camp per mandal and one or more camps in UPHCs per day will be organized in order to complete entire schedule within 45 days. The Citizens will avail consultation from the Doctors on the day of the Health Camp. The doctors will examine the patients and prescribe necessary medication. Besides, if the patients require further treatment, they will be referred to secondary and tertiary care hospitals in both Government as well as Aarogyasri Network Hospitals.

In rural areas, the MPDO, MRO and the PHC Medical officers will prepare Village Health clinic wise health camp plan. In the case of urban areas, the Municipal Commissioner along with the Municipal Health Officer and the Medical Officers of UPHCs will do the planning UPHC wise. The assistance of Redcross and NSS volunteers will be organized for successful conduct of the camp.

In each Health camp, minimum 4 doctors should be present for consultation.

- 2 PHC Doctors - the Family Doctor of the VHC/UPHC and an additional PHC medical officer should be present.
- 2 additional doctors preferably specialists must also be deployed for the camp.

(Contd..p.3)

- The doctors from Aarogyasri Network Hospitals and other DME/DSH institutions to be mobilized. Care will be taken to ensure Health services in the government facilities are not affected.

The Health Camp, in rural areas will be conducted preferably in school premises or any other building suitable for setting up camp with facilities for examination by the Doctors and in Urban PHCs in urban areas.

The success of the program depends on the commitment of the key stakeholders at district and mandal level. The District Collectors should give necessary leadership for the program and coordinate with all the key stakeholders. The GSWS staff shall be assigned duties for organizing the camp. The camp should have the following counters:

- Help Desk counter
- Registration counter
- Consultation counter
- Drugs counter
- Testing counter

The citizens visiting the camp should not be inconvenienced at any cost. Proper arrangements of shamiana, chairs, drinking water, toilets and wheel chairs for needy patients shall be organized. The case sheet along with medicine and other material shall be given in a bag with proper branding of JAS.

Phase V: Follow up on referral cases.

The Family Doctor, CHO and ANM of the village shall follow up on all referral cases recommended by the Doctors at the health camp to ensure the patient is handholded to visit Aarogyasri Net work hospital and required treatment is given. It shall also be ensured that the patients with chronic illness get the follow up consultation and medicines free of cost. The provision in the App shall enable to know whether all the referred patients from the health camp got proper treatment and Aarogyasri app shall contain a provision enabling the patient to raise the alert in case of requirement of medicines.

7. In order to conduct the health camp successfully the following need to be focused.

The District Collectors shall hold meetings with the Line departments at District Level for co-ordination and distribution of work among the teams and shall conduct trainings & Capacity building to all the team members involved in the campaign and Health Camp. He \ she also shall make arrangements to share the schedule of JAS camps with all the people's representatives and request their active participation in the camps.

The Director, GV/WV & VSWS Vijayawada shall develop a Module in AP SEVA portal for scheduling, Volunteers survey in Volunteers App, Generation of Case sheet and required guidelines for conduct of Jagananna Aarogya Suraksha Programme most effectively.

The Director of Health & Family Welfare shall develop ANM APP for Household survey and to ensure the data to be pushed to AP SEVA portal and Medical Officer APP (MO AP APP). Proper arrangements to be made to track the referral cases to Aarogyasri network hospitals.

(Contd..p.4)

The Managing Director, APMSIDC shall ensure the availability of the adequate stock of all the drugs and diagnostic kits in the VHC on the Day of the JAS health camp. Further adequate number of Rapid kits during door-to-door campaign shall be provided to the VHCs and UPHCs well in advance for carrying out the tests.

The CEO, Aarogyasri, shall ensure the availability of Medical Officers and Specialist Doctors to the JAS Camps in coordination with the DME, Director, Secondary Health, DPHFW and Network Hospitals. He shall also make available provision for taking preferences regarding participation of members of Indian Medical Association online in Aarogyasri website and forward the data to the District team. It shall be ensured that Aarogyasri app contains provision for the patients with chronic diseases to raise alerts in case of requirement of drugs.

8. **Responsibilities of Line Departments:**

Women Development & Child Welfare

- Send identified SAM/MAM children to camp for screening.
- Send pregnant and lactating mother for ANC/PNC.
- Setting up of nutrition stalls at Health camps to create awareness on Eat Right campaign.

Municipal Administration & Urban Development

- Coordinate with Municipal Commissioners for successful conduct of camps in urban areas. As there is no CHO in urban areas, the Municipal Commissioners may be asked to take the assistance of nursing students to help ANM to complete survey in 20 days.

Tribal Welfare

- PO ITDAs to be involved from planning stage.
- Ensure camp coverage in tribal habitations with special emphasis on seasonal diseases & anemia.

School/Collegiate Education

- Conduct screening of children with the help of CHO/ANM and send identified children to the Jagananna Aarogya Suraksha camp for treatment and referral as per requirement.
- Issue instructions to provide school premises for Health camp.

9. **Key Dates:**

Jagananna Aarogya Suraksha Campaign launch – 15th September 2023.
ANM/CHO Field Visits – Starting from 16th September 2023.
First Jagananna Aarogya Suraksha Health Camp – 30th September 2023.
